- Edward mentioned that it would be nice if visitors gave a \$4.00 donation.
- Secretary's Report: Eric talked about how much it would cost (\$110.00) just to show the DVD "Who Killed The Electric Car" at a meeting. If anyone would like to purchase this DVD please let Eric know. (\$10US + freight)
- It was decided, previously, that the AEVA (Adelaide) AGM would be held in August. Eric Nomination forms are on the website and Eric has some if you want them. They are also available on the DOCS page on the website.
- Edward gave an EV Festival/AGM update (and introduction for newcomers). Meeting Thursday July 15th at 3pm in Council Offices, 25 Pirie St, Adelaide for all interested. We still need more help with this. Blake Spearman has offered to assist. Thanks Blake.  
Peter Pudney has confirmed that we will have the Mitsubishi

- iMiEV for the EV Festival and that Ashley Sanders from Mitsubishi will be speaking at our EV Festival Conference. Peter has now also confirmed that Nissan will not be present because they will not have a car available.
- Treasurer to make payment to Dickson and Eric as decided at the last meeting. This has now been done. Thanks Mic.
  - **Tonight's Guest Speaker:**  
Edward Booth to introduced the subject **“Selecting Your Donor car”** and **“Where are we up to?...”** **“What have we learnt?...”**
  - Members' EV Conversion reports...  
Eric's battery frame is completed and now just waiting on the Engineer to approve the mounting arrangement to the floor of the car.  
Eric spoke about Marianne's Open Workshop Day on May 15<sup>th</sup>. The electric motor is now in and tested driving the wheels on 12Volts. The electric vacuum pump is also mounted and the accelerator mechanism has been worked out. Marianne will give us more info next meeting.
  - Question Time. There were a few questions from the floor.
  - The next meeting of AEVA Adelaide to be on Wednesday 28<sup>th</sup> July at 7:30pm (meal before in dining room from 6pm). The next meeting's subject will be **“Bits & Pieces – all those minor parts that are important in an EV conversion”**. Eric is to lead the discussion/presentation.
  - Meeting closed at 9:33pm

Eric Rodda (Secretary)
